ATTENTION **Senior Class of 2011**

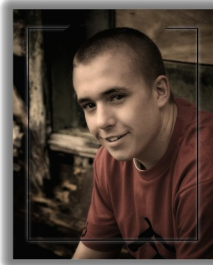

Bryan Buchanan Photography is looking for energetic, outgoing students to participate in our “Senior Ambassador” program.

Students from local High Schools will receive discounts and incentives, special to our “Team”.

In exchange, members will be “living samples” of our work. They will show around their own session photos as examples and hand out coupons to help promote our studio and offer specials and deals to their friends and classmates.

If you think you may be someone we are looking for and want to learn more, please contact Bryan at 406/327-9659 for more details.

* For better advantages to our “Team Members”, we only accept a limited number of students per school, so act fast!!
